

Mike Heinrich graduated from the University of Northern Iowa in 2001 with a BA in Sociology. In September of 2002 he was hired by the Anamosa State Penitentiary (ASP) and began his career with the Iowa Department of Corrections. He spent the first 6 years as a Correctional Officer before accepting a position as a Correctional Counselor in July 2008. He worked in that capacity until August of 2013 when he was promoted to Treatment Services Director. In May of 2016 he was selected to become the Deputy Warden at ASP where he remains in that role. As of March 20th Mike Heinrich will be transitioning to Deputy Warden at IMCC. Mike has been an ICA member since 2015. Mike is also a member of the United States Deputy Wardens Association.

I have decided to run for the office of Vice President because I would be honored to take on this role within the Association in an effort to influence the members of the association and to become more involved. I feel honored that someone nominated me to run for this position, so I wanted to take advantage of this opportunity.

My vision for ICA over the next few years would be to provide training opportunities for the members that include the latest trends nationwide in corrections. I would love to be a part of this and look forward to assisting the members in this role.

Traditionally ICA has sponsored a wide variety of activities and has provided excellent conference topics related to the field of Corrections. I would love to continue this tradition and help bring relevant topics to upcoming conferences. I would be active in reaching out to other organizations and states to bring the best possible training opportunities for the members of ICA.
