

JoDee Glover

Bio for Election 2021 - At-Large Position

JoDee retired from DOC in July of 2020 as a Correctional Officer. Though she has left corrections after 20 years, is continuing to be an ICA member. "ICA conferences are a valuable learning tool for new hires as well as veteran staff. Corrections is very fluid and is always changing" She believes in staying abreast of continued education which ICA excels at.

First of all, I'd like to take this time to thank you for your continued membership with ICA. It is a very worthwhile organization with many positive attributes and with your continued support will become even better. I'm JoDee Glover and running for an At Large position. I have been an ICA member since 2004 and have been on many committees during that space of time. Merchandise, CEU's, ICA Members Professional Team, Awards to name a few. I have assisted with fund raising and conference planning.

Being retired I now have even more time to spend on ICA events and would like to do so in an At Large position which gives me the opportunity to help make our group of professionals more informed and stay on the cutting edge of corrections.
