

I have decided to run for the office of at-large board member because I want to continue furthering my involvement with ICA. Since I attended my first conference in 2015, I have been excited about what ICA has to offer. My vision for ICA over the next few years is to continue to provide relevant trainings and workshops to help members develop professionally, continue to provide networking opportunities across the state, and to continue advancing the technologies we utilize in order to make ICA more user friendly. ICA has sponsored a wide variety of activities and I believe ICA should continue to sponsor a wide variety of activities in order to promote continued learning and networking and to help mitigate corrections fatigue.

Alicia is currently employed as a Probation/Parole Officer II for the Sixth Judicial District in Johnson County supervising individuals on probation, parole, and Interstate Compact.
